T2 WK 10

Kia ora whaanau,

Well done everybody, we made it to the end of Term 2!!

This term our akonga, have been involved in mau rakau, kapa haka, mindful movement (yoga), boxing, St John programme, Kiwi Can, Launchpad, Math tutoring - all alongside their everyday classes.

We also participated at the interschool netball and touch fun day and are keen competitors at the Tuesday Night EWNC netball competition in Taupiri.

Even though our staff and tamariki were away with sickness, we have been able to keep our classes happening. Keep a watch out for our TERM 3 Calendar, which will be jam packed with more engaging activities and learning.

Have a great holiday break, keep safe and we will see you, ready to roll : Term 3 Monday 17th July.

JUNIOR HUB

AKOMANGA TORU

TERM 2

This term we have been working hard on reading and writing and it is great to see that everyone is taking pride in their achievements.

NEXT TERM

- Monday 17 July FIRST DAY BACK
- Tuesday 18 July FINALS NETBALL Mau Rakau
- Friday 21 July BOXING

Room 5- Great role models

Wow!!!

One of our Senior Students' work from his Laser cutter engraver project.

Ka Rawe!!!!

Vision and Hearing Checks in School Ngaruawahia Primary School

Date: Tuesday 18th July 2023 Time: 11.30am

We will provide the ENROL Report of students who require checks.

As a provider of a health screening service we have a responsibility to comply with the Code of Health and Disability Services Consumers Rights.

This includes the requirement to provide information, enabling consumers to make an informed choice.

We ask that the following information sheet is included in your newsletter in order to answer any questions that parents/caregivers may have about the service.

For more information parents/caregivers may contact Community and Southern Rural Health.

Vision Hearing Technicians from Community and Southern Rural Health will be visiting our school. The objective of the test is to identify previously undetected vision and hearing defects.

If any parents/caregivers **do not** want their child to be checked, or their child is currently under specialist care for a vision or hearing defect, they should let the school know.

Which children are routinely checked?

Children who have not completed vision and hearing checks as part of their B4 School Check
Children absent from previous visit, require retests or follow up
In special circumstances, parents, teachers or others may request a vision or hearing check

What tests are carried out?

Ears
Audiometry (hearing test)
Tympanometry – middle ear function test (only carried out when hearing test is not within a normal range)

Eyes
Long distance vision tests – not a complete visual examination, but a simple screening test

NB All of these checks are non-invasive, safe and should cause no discomfort.

The Vision Hearing Technician will:

- Notify parents of all test results
- Enter results on Ministry of Education database (Enrol)
- The Vision Hearing Technician will obtain personal details from the school ie; names, date of birth.
- If the technician needs to contact parents or caregivers following the visit, addresses and phone numbers will also be required.
- Our Service may share this information with other health professionals involved in the children's care.
